

# Tripods and four-legs assembly

## *Treppiedi e quadripiedi*

EN

### **TRIPODS**

The tripods in modular structure are available for masts Standard Ø115, Heavy Ø152, Super Heavy Ø200 and Giant Ø250mm.

### **4-LEGS ASSEMBLY**

The 4-legs assembly in modular structure are available for masts Standard Ø115, Heavy Ø152, Super Heavy Ø200 and Giant Ø250mm.

### TRIPODS / TREPPIEDI

---

#### Mast Ø115

**TP.35323** = Tripod in modular structure in corrosion resistant metallic material  
*Treppiede in struttura modulare in materiale metallico anticorrosivo*

#### Mast Ø152

**TP.35324.1** = Tripod in modular structure in corrosion resistant metallic material for masts with retracted height until 2000mm  
*Treppiede in struttura modulare in materiale metallico anticorrosivo per colonne con altezza chiusa fino a 2000mm*

**TP.35324.2** = until/ fino a 2500mm

**TP.35324.3** = until/ fino a 3000mm

**TP.35324.4** = until/ fino a 3500mm

**TP.35324.5** = over/ superiore a 3500mm

#### Mast Ø200

**TP.35325.1** = Tripod in modular structure in corrosion resistant metallic material for masts with retracted height until 2000mm  
*Treppiede in struttura modulare in materiale metallico anticorrosivo per colonne con altezza chiusa fino a 2000mm*

**TP.35325.2** = until/ fino a 2500mm

**TP.35325.3** = until/ fino a 3000mm

**TP.35325.4** = until/ fino a 3500mm

**TP.35325.5** = over/ superiore a 3500mm

### 4-LEGS ASSEMBLY / QUADRIPIEDI

---

#### Mast Ø115

**QP.35302.1** = 4-legs assembly in modular structure in corrosion resistant metallic material for masts with retracted height until 2000mm  
*Quadripiede in struttura modulare in materiale metallico anticorrosivo per colonne con altezza chiusa fino a 2000mm*

**QP.35302.2** = until/ fino a 2500mm

**QP.35302.3** = until/ fino a 3000mm

#### Mast Ø152

**QP.35303.1** = 4-legs assembly in modular structure in corrosion resistant metallic material for masts with retracted height until 2000mm  
*Quadripiede in struttura modulare in materiale metallico anticorrosivo per colonne con altezza chiusa fino a 2000mm*

**QP.35303.2** = until/ fino a 2500mm

**QP.35303.3** = until/ fino a 3000mm

**QP.35303.4** = until/ fino a 3500mm

**QP.35303.5** = over/ superiore a 3500mm

#### Mast Ø200

**QP.35304.1** = 4-legs assembly in modular structure in corrosion resistant metallic material for masts with retracted height until 2000mm  
*Quadripiede in struttura modulare in materiale metallico anticorrosivo per colonne con altezza chiusa fino a 2000mm*

**QP.35304.2** = until/ fino a 2500mm

**QP.35304.3** = until/ fino a 3000mm

**QP.35304.4** = until/ fino a 3500mm

**QP.35304.5** = over/ superiore a 3500mm

#### Mast Ø250

**QP.35325.1** = 4-legs assembly in modular structure in corrosion resistant metallic material for masts with retracted height until 2000mm  
*Quadripiede in struttura modulare in materiale metallico anticorrosivo per colonne con altezza chiusa fino a 2000mm*

**QP.35325.2** = until/ fino a 2500mm

**QP.35325.3** = until/ fino a 3000mm

**QP.35325.4** = until/ fino a 3500mm

**QP.35325.5** = over/ superiore a 3500mm

**ACCESSORIES FOR MODULAR TRIPOD AND 4-LEGS ASSEMBLY***ACCESSORI PER TREMPIEDE E QUADRIPIEDE MODULARE***QP.35305 (A)**

Set of steps in order to climb on top of the assembly, for masts with retracted height until 2500mm  
*Set di gradini per salire sul treppiede/quadripiede per colonne con altezza chiusa fino a 2500mm*

**QP.35306 (A)**

Set of steps in order to climb on top of the assembly, for masts with retracted height over 2500mm  
*Set di gradini per salire sul treppiede/quadripiede per colonne con altezza chiusa superiore a 2500mm*

**QP.35307 (B)**

Reinforcement bars for masts  $\varnothing 115$  and  $\varnothing 152$   
*Barre di rinforzo per colonne  $\varnothing 115$  e  $\varnothing 152$*

**QP.35308 (B)**

Reinforcement bars for masts  $\varnothing 200$  and  $\varnothing 250$   
*Barre di rinforzo per colonne  $\varnothing 200$  e  $\varnothing 250$*

**QP.35310 (C)**

Lower plate for mast  
*Piastra inferiore per colonne*

**QP.35312 (D)**

Lower plate with spherical base for mast  $\varnothing 115$   
*Piastra inferiore con base sferica per colonne  $\varnothing 115$*

**QP.35313 (D)**

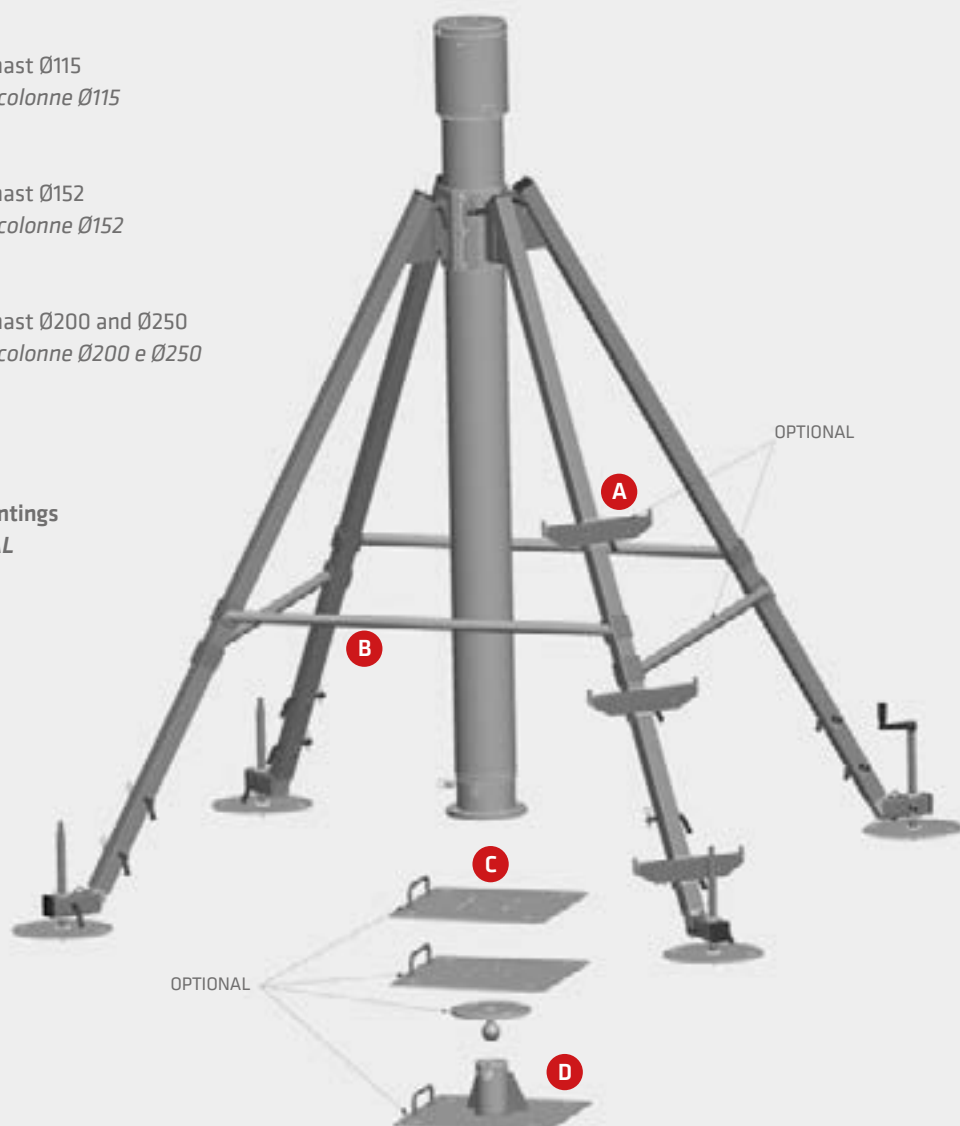

Lower plate with spherical base for mast  $\varnothing 152$   
*Piastra inferiore con base sferica per colonne  $\varnothing 152$*

**QP.35314 (D)**

Lower plate with spherical base for mast  $\varnothing 200$  and  $\varnothing 250$   
*Piastra inferiore con base sferica per colonne  $\varnothing 200$  e  $\varnothing 250$*

Available also in different colour paintings

*Disponibili anche in diversi colori RAL*
